ENTER - WITNESS - DESTROY

Enter the exotic South Pacific where some of the most beautiful islands in the world have been invaded by DAMED (Destructive Armed Militant Enemy Devotee). This enemy is perhaps the most vicious terrorist organization on earth. Their reign of terror and acts of vengence has gone on for over five years, it must come to an end NOW!

You alone or you and a buddy will pilot an experimental Thrasher Hawk-7. Fly in low on a secret mission of destruction. With unlimited fire power and power-ups you will be fully equipped for the offensive attack.

You must rid each of the nine islands of the enemy fortress. Use stealth, cunning, and strategy, because you cannot fail...
